

# ***National 600 Club Mail-O-Graphic Tournament***

## **1. Who can enter?**

Any National 600 Club member. If not a member, submit application with entry form. Also must be a USBC member.

## **2. Where is tournament?**

This is the good part. You don't have to travel. You use league scores. Can't go wrong.

## **3. When is tournament?**

January 24 – February 13, 2021. This is for 3 weeks but you use your highest series from that 3 week period. So, you get 3 chances for every entry. What other tournament does that?

## **4. What is the cost?**

It is \$10.00 per league per division. Example: If you qualify for the senior division or the super senior division and you bowl in just one league and you want to enter those scores in both a regular division and a senior division, it would be \$20.00. But if you only want to enter one of the divisions, it would be \$10.00.

## **5. Is the tournament scratch or handicap?**

Here is another good thing for this tournament. *There is a division for everyone.* It is handicap but we do have one scratch division that includes all averages. So we have 6 divisions.

Division SCR - Scratch Division

Division A – 180 average and above with handicap

Division B – 179 thru 165 inclusive with handicap

Division C – 164 and under average with handicap

Division S – Ages 55-69 with handicap (Proof of age required)

Division SS – Age 70 and over with handicap (Proof of age required)

## **6. What average do I use?**

The average you use is the average as of date of participation. So when I receive your scores and your recap sheet (which is required), I use the average that is on the recap.

## **7. What is the handicap used for this tournament?**

Handicap is 90% of the difference of 235 less your average.

## **8. What is the pay ratio?**

Prize fund is returned 100% and will be based on at least one cash award for every five entries.

***Can your state beat Wisconsin for most entrants from a state?? They won in 2020 with 89 entrants. Talk a fellow 600 club member into entering.***

***If your entry is postmarked by November 30, your name will be entered in a drawing for a quilted Christmas table runner.***
