RE: Michigan State USBC Memorial Service

Dear Association President:

The Michigan State USBC will once again take time to honor those local association board members (both past and present) who have passed away during the 2023-2024 season and who have made a special contribution to the game of bowling. This recognition will take place at the Memorial service to be held prior to the start of the Annual Meeting on Saturday, June 22, 2024.

To have your departed board members honored, please complete the section below and return it by June 1, 2024, to Sue Milligan, Memorial Service Chair. If you have any questions, feel free to contact Sue at (269) 651-7930.

Unfortunately, anyone not reported by this date to our chair, will not be included in the memorial service as time is needed to prepare the booklet and ceremony, so please submit these names as soon as possible to Sue (*please note this is not the state office*).

While our ceremony will be recognizing board members only, a special flower will also be presented in memory of all other association members.

Sincerely,

Karen Hagan
